

BEML Celebrates Doctors Day

BEML Limited, a Defence PSU, celebrated Doctors Day by honouring the doctors and health-care workers in recognition of their yeoman service rendered esp. during the pandemic times risking their lives to serve us, whether in main, secondary care settings or in committed covid care facilities.

Shri MV Rajasekhar, CMD, personally honored the front-line warriors at BEML's Medical Centre in Bangalore Complex along with Shri Amit Banerjee, Director (Rail & Metro) and Shri P. Nagaraj, Executive Director (Rail).

Speaking on the occasion, Shri Rajasekhar said, “Doctors and health workers are the true heroes. I salute all of them who are relentlessly working to save lives in the time of pandemic.”

It may be recalled that during the pandemic BEML opened covid care centers, special clinic for examining the suspected covid cases and conducted vaccination camps for its employees, families, retired employees, contract workers and others with the support of BEML doctors and health care workers.
