

BEML AT AERO SHOW

BEML Limited, a Mini Ratna Public Sector Undertaking, under the Ministry of Defence, Government of India (GoI) is participating in a big way in Asia's premier bi-annual Airshow & Aviation Exhibition, Aero India 2019. This will be held from February 20th – 24th, 2019 at Yelahanka Air Force Station, Bangalore.

BEML will be exhibiting its capabilities to support growth of India's Aviation, Defence and Aerospace sectors, particularly through Make-in-India initiative.

BEML will be showcasing its competence in manufacturing of Airborne Structures, Ground Support and Ground Handling Systems. It will also display missile aggregates for Akash and Quick Response Surface-to-Air-Missile (QRSAM) along with ISRO Motor, Bomb Pallets and Aviation Hoses, which are critical components for the aviation sector.

Aircraft Towing Tractor (Airport ground support vehicle)

Quick Response Surface Air Missile System (QRSAM)

BEML is shaping its vision to reach new frontiers and in association with OEMs aims to be a significant player in the International Aerospace Industry.
