

बीईएमएल लिमिटेड BEML LIMITED

(भारत सरकार का उपक्रम) (A Govt of India Undertaking)

CIN: L35202KA1964GOI001530

BEML Soudha, 23/1, 4th Main, Sampangirama Nagar, Bangalore-560 027, INDIA

RECRUITMENT OF EXECUTIVES FOR VARIOUS FUNCTIONS

(Advt. No: KP/S/17-A/2025 Dt: 24.12.2025)

BEML Limited, India's leading multi-technology company under the Ministry of Defence, has successfully spearheaded with its realm of producing world-class products over the last six decades; mainly for core sectors- Defence & Aerospace, Rail & Metro, Power, Mining & Construction through its state-of-the-art manufacturing facilities. BEML is exploring opportunities to expand its production facilities towards building country's promising projects, namely - Vande Bharat sleeper trains, Metro rail coaches, High mobility & Armoured Recovery Vehicle, Special application Engines for Defence, AI-based high-end mining equipment, etc. Aligned with these expansion initiatives, BEML Ltd., invites motivated and career-oriented professionals to partner with the organisation and explore diverse opportunities across its growing technology domains.

Details of the Positions:

1	2	3	4	5	6
Position Code	Position	Vacancy	Qualification	Post Qualification Experience (PQE)	Indicative Job Description
(101)	Chief General Manager (Gr. IX) Finance	1	CA/ CMA/ two years Full Time First Class MBA in Finance (with Finance as core subject) from a recognised institution.	The candidate should have prescribed post-qualification Executive experience preferably in any large Industry in the areas of Treasury Management, Indirect and Direct Taxation, Purchase Scrutiny, Finalization of Accounts, Internal Audit, Costing, Operating Budget and Capital Budget, Pricing, Management of Receivables, Inventory Management, Provident Funds, Auditing, Financial Analysis and experience in monitoring Business performance with tracking tools for reporting & MIS, Project management including Project financing, managing Capital structure and Fund raising initiatives, perform Risk management on account of company liabilities and investment, Insurance, Internal Control Activities etc.	The incumbent will be responsible for Company's overall Finance function including Budgetary Planning & Control, Central Treasury Management, Auditing Management, imports & exports, Financial Analysis and Reporting, Taxation, Costing etc.
(102)	General Manager (Gr. VIII) Finance	2			Place of Posting: BEML's Manufacturing facilities.

1	2	3	4	5	6
Position Code	Position	Vacancy	Qualification	Post Qualification Experience (PQE)	Indicative Job Description
(103)	Chief General Manager (Gr. IX) HR	1	Two years full time First Class - Post Graduate Degree / Post Graduate Diploma in Personnel management / Human Resource Management or MBA (with HR as Major) / Post Graduate Diploma in HR / IR / MSW / MA (Social Work with HR/IR / Personnel Management) from a recognised university /institution. Desirable: Degree in Law will be an added advantage.	The candidate should have prescribed post-qualification experience in the Executive cadre in an Organisation of repute. He/ She should have proficiency in Talent Management, with a significant focus on Organizational Development and Change Management. Expertise in designing and implementing Organizational Development strategies. A strong proficiency in HR analytics. Hands on experience with HR transformation projects from an organization/ establishment of repute. The candidate should have knowledge of designing, formulating and implementing human resource strategy / processes in alignment with the business objectives of the organization. The candidate must possess strong competencies in handling employee relations and industrial relations matters including compliance with labour laws. Excellent communication, stakeholder management, and leadership skills.	The incumbent will be responsible for maintaining healthy industrial relations, ensuring compliance on all labour law related matters, regulations to avoid disputes. He/ She will be responsible for designing & Implementing Organizational Development initiatives, Talent Management & Talent Acquisition initiatives and Employee Engagement programs that drive the company's strategic objectives. Periodic review of organizational structure, HR policies and processes; advise Management on best practices & policies related to people processes, IT initiatives and work closely with department heads towards its execution & implementation. Responsible for designing initiatives and tools to drive performance management, learning & development, succession planning, engagement and culture change across the organization. Place of Posting: Bangalore
(105)	Chief General Manager (Gr-IX) Rolling stock Manufacturing	1	First Class Degree in Engineering from a recognized University / Institution. PG Degree/ PG Diploma in Engineering / Management will have added advantage.	The candidate should have prescribed post-qualification professional experience. The candidate should also have at least 5 years of Cumulative post qualification Experience in last 10 years of service at a senior level of management in an organisation of repute.	The incumbent will be heading BEML's Rail Coach business unit and will be responsible for: <ul style="list-style-type: none"> Ensuring production & sales of products in line with the customer key dates. Project Management & Execution. Factories Act, Safety procedures and other statutory requirements of an organization.

1	2	3	4	5	6
Position Code	Position	Vacancy	Qualification	Post Qualification Experience (PQE)	Indicative Job Description
			Certification in Project Management will be an added advantage.	Experience / Exposure in R&D/ planning/ production / testing / application engineering / marketing in the field of Rail and Metro will be an added advantage.	<ul style="list-style-type: none"> Implementation of Quality systems and Modern manufacturing systems. Guiding the team with activity-based planning from Scratch to Dispatch w.r.t Rolling Stock Manufacturing. <p>Place of Posting – Bangalore</p>
(106)	General Manager (Gr. VIII) Metro Business Development	1	First Class Degree in engineering (full time) in Mechanical/ Electrical/ Civil/ Transportation from a recognized University / Institution. MBA will be an advantage	<p>The candidate should have prescribed post-qualification professional experience.</p> <p>The candidate should also have 7 to 10 years of experience in business development and marketing of large infrastructure projects (experience in metro sector preferable).</p> <p>The candidate should have</p> <ul style="list-style-type: none"> In depth Knowledge of Metro rail infrastructure sector Proven track record of expanding market share, launching new products/ services & building high performance sales team. Familiarity with DMRC, NCRTC, MoHUA, NHRCL, etc. and their procurement process. Effective networking & negotiation skills and deal closure. Excellent communication & presentation skills Understanding Public procurement (tenders, BOT, EPC, PPP model) Knowledge of GeM portal. Document preparation for Business case study and Commercial acumen. 	<p>The incumbent will be responsible for</p> <ul style="list-style-type: none"> Market research and track upcoming metro rail projects (domestic & international). Analysing government policies, tenders (DMRC, Maha metro, MMRDA), funding agencies (JICA, ADB) Preparation of strategies for Business development. Maintaining CRM, opportunity pipeline & generate business forecast. Team leadership & cross function co-ordination with all stakeholders such as design, planning, finance & legal depts for bid preparation. Establishing strategic alliance (MoUs, NDAs, JVAs) towards business development. Tracking project/ contract status & client feedback on project progress. Driving revenue across competitive markets. Forging strategic partnerships, Identify & onboard OEMs, aggregate suppliers, consortium partners for business requirement. Representing BEML in industry forums, exhibitions & conferences. <p>Place of Posting – Bangalore</p>
(107)	Deputy General Manager (Gr-VII)	1	First Class Degree in engineering (full time) in Electronics from a recognized University / Institution.	<p>The candidate should have</p> <ul style="list-style-type: none"> Experience in the defence industry, especially in defence electronics design and development Proven track record of developing military-grade 	<p>The incumbent will be responsible for</p> <ul style="list-style-type: none"> Leading the design and development of complex electronic systems for military applications, ensuring technical robustness and operational

1	2	3	4	5	6
Position Code	Position	Vacancy	Qualification	Post Qualification Experience (PQE)	Indicative Job Description
	Electronic s- Aerospace			<p>electronics, preferably including underwater systems</p> <ul style="list-style-type: none"> • Strong capabilities in leading multidisciplinary technology initiatives • Demonstrated experience in managing R&D resources and budgeting at enterprise scale • Familiarity with defence procurement standards, compliance protocols, and industry frameworks. 	<p>reliability</p> <ul style="list-style-type: none"> • Driving innovation in defence electronics, with emphasis on underwater systems, embedded technologies, and system integration • Overseeing multi-phase lifecycle projects including feasibility analysis, prototyping, testing, validation, and deployment • Shaping the organization's technology roadmap by scouting emerging trends and aligning R&D efforts with strategic business goals. • Managing R&D budgets and engineering resources efficiently across both project-level and organizational-level mandates. • Fostering collaborations with key stakeholders including DRDO labs, user agencies, research institutions, and industrial partners. • Representing technical leadership in cross-functional teams and mentor junior research engineers. • Documenting and presenting research outcomes for internal review and external engagements. <p>Place of Posting – Bangalore</p>
(108)	Deputy General Manager (Gr-VII) Production Planning	Backlog vacancy reserved for OBC – Category			
		1	First Class full time Degree (full time) in Engineering in Mechanical / Automobile / Electrical / Discipline from a recognized University / Institution. PG Degree/ Diploma in Engineering / Management will have added advantage.	<p>The candidate should have prescribed post qualification experience in planning/ production / manufacturing.</p> <p>Among the experience a minimum of 5 years during the last 10 years must be in the production/ planning of Rail products in any organisation of repute.</p>	<p>The candidate will be responsible for the following as a head of production planning for manufacturing of Rail products:</p> <ul style="list-style-type: none"> • Material & Methods Planning. • Preparation of Master Production Schedule. • Tool Planning. • Facilities Planning Dept for finalization of Capex Budget for Rail Projects • Knowledge of OHSMS ISO 45001:2018, ISO 3834, EN 15085 and other international standards w.r.t Rolling stock manufacturing <p>Place of Posting – Bangalore.</p>

1	2	3	4	5	6
Position Code	Position	Vacancy	Qualification	Post Qualification Experience (PQE)	Indicative Job Description
(109)	Deputy General Manager (Gr-VII) Manufacturing	Backlog vacancy reserved for SC – Category			
		1	<p>First Class Degree in Engineering (full time) in Mechanical / Automobile / Electrical / Discipline from a recognized University / Institution.</p> <p>PG Degree/ Diploma in Engineering / Management will have added advantage.</p>	<p>The candidate should have 16 years of cumulative post qualification experience in production / manufacturing.</p> <p>Among the experience, a minimum of 5 years during the last 10 years must be in the production of Rail products in any organisation of repute.</p> <p>Should possess in-depth knowledge of Rolling stock manufacturing process. The candidates should be well versed in various welding technologies and other related manufacturing operations.</p> <p>Should be well versed in prioritize the manufacturing plan for sub-assemblies, modules and major assemblies for rolling stock production.</p>	<p>The candidate will be responsible for the following as a head of manufacturing of Rail products:</p> <ul style="list-style-type: none"> • Heading production areas including Laser Cutting, Flame Cutting, Roll Forming, Stretch forming among other processes • Planning the work load w.r.t all the operations /machines and map the same as per production plan of car body modules and shell as a whole. • Preparation of WBS and manufacturing BOM for the entire project and plan its execution in-line with key dates. • Scheduling of operation to meet the organisational targets. <p>Place of Posting – Bangalore</p>
(110)	Deputy General Manager (Gr-VII) Production / Assembly line	1 position out of 2 is Backlog vacancy reserved for ST – Category			
		2	<p>First Class Degree in Engineering (full time) in Mechanical / Automobile / Electrical / Discipline from a recognized University / Institution.</p> <p>PG Degree/ Diploma in Engineering / Management will have added advantage.</p>	<p>The candidate should have prescribed post qualification experience in production / manufacturing.</p> <p>Among the experience a minimum of 5 years during the last 10 years must be in the production of Rail products in any organisation of repute.</p> <p>The candidate should be well versed with Rolling Stock manufacturing technology and must be capable of preparing Production BOM and Network Chart for easy monitoring of the bottle necks that could jeopardize the assembly line.</p> <p>He/ She shall have knowledge of Car body manufacturing, Mechanical furnishing, electrical furnishing, Testing, Final Finishing & despatch and have knowledge of Industry 4.0</p>	<p>The candidate as a Head of Manufacturing of Rail products will be responsible for :</p> <ul style="list-style-type: none"> • Management of production lines. • Areas such as Car body manufacturing, Mechanical furnishing, electrical furnishing, trucking, Testing, Final Finishing & despatch. • Meeting the ISO 3834, EN 15085 and other international standards w.r.t Rolling stock manufacturing. <p>Place of Posting – Bangalore</p>

1	2	3	4	5	6
Position Code	Position	Vacancy	Qualification	Post Qualification Experience (PQE)	Indicative Job Description
(111)	Deputy General Manager (Gr-VII) Engine Design	1 among the advertised 2 positions is reserved for Backlog vacancy for ST – Category			
		2	<p>First Class Degree in Engineering (full time) in Mechanical/ Automobile from a recognized University / Institution</p> <p>Desirable: Post graduate in Design/ Automobile</p>	<p>The candidate should have :</p> <ul style="list-style-type: none"> • Hand on experience on diesel engine design and development. • Experience in leading a team of engineers for executing clean sheet engine design. • Design Knowledge of all engine aggregates like Crank train, Cam Shaft, Valve train, Cylinder Block, Cylinder Head, Cooling and Exhaust system • Application Knowledge of Common Rail Direct Injection (CRDI) System, After Treatment System, Turbocharger etc. • Sound knowledge of GD &T, 3D design software, tolerance stake up analysis, Drawing checking. and Manufacturing process • Sound knowledge of manufacturing process of Casting, Forging, Machining and Sheet Metal parts • Strong Engineering knowledge on problem solving • Proficiency in guiding the team for designing system level components. • Ability to work in close coordination with Materials team for product development • Understanding of different simulation tools • Understanding of Engine testing and Assembly • Knowledge of PLM system • Good presentation and communication skills <p>Experience in Engines for marine applications will be an added advantage.</p>	<p>The incumbent will lead a team of Design & development engineers involved in the development of Heavy-duty Diesel Engines.</p> <p>He/ She will be responsible for Testing, calibration of Engines, Component Evaluation, Application Engineering & vehicle integration, for 1D/3D Simulation study of various developed parts.</p> <p>Co-ordination with other departments/ Suppliers and related agencies for design and development activities.</p> <p>Place of Posting –Mysore</p>

1	2	3	4	5	6
Position Code	Position	Vacancy	Qualification	Post Qualification Experience (PQE)	Indicative Job Description
(112)	Deputy General Manager (Gr-VII) Testing and Calibration	Backlog vacancy reserved for SC – Category			
		1	<p>First Class Degree in Engineering (full time) in Mechanical/ Thermal Automobile from a recognized University / Institution.</p> <p>Desirable: Post graduate in Internal combustion engine / Thermal / Automobile.</p>	<p>The candidate should have :</p> <ul style="list-style-type: none"> Completed at least 3 product development life-cycle from engine Combustion, Performance & Emission perspective. Deep knowledge on Engine Hardware selection and optimization. Specialization in after-treatment selection and integration is a must. Clear understanding of Global and local emission regulation related to off highway is essential. Hands on for tools related to Combustion analysis and calibration tool is must. System integration knowledge and able to breakdown program requirement/bigger problem in to sub deliverable, with clear boundary, target and timeline. Analyzed technical data using descriptive statistics, probability distributions, graphical analysis, and statistical inference (population and sample, confidence intervals, and hypothesis testing); models relationships between response and independent variables using analysis of variance, regression, and design of experiments to make rigorous, data-driven decisions. 	<p>The incumbent will be responsible for Testing and Calibration which will inter-alia include :</p> <ul style="list-style-type: none"> Building partnerships and working collaboratively with critical suppliers, Stockholders and internal teams to meet shared objectives. Developing and delivering multi-mode communications that convey a clear understanding of the unique needs of different audience within and outside the team. Managing multiple programs in parallel by prioritizing the deliverable of each program. Also highlighting the management on prioritization and the impact of timeline. Solve product problems using a process that protects the customer - determines the assignable cause, implements robust, data-based solutions and identifies the systemic root causes and recommended actions to prevent problem reoccurrence. Create an accountable & Innovation culture in the team. Plan, schedule, coordinate and execute the activities involved in developing a product to a respectively aligned hierarchy of requirements and technical profiles; monitors and communicates across functional boundaries to meet project resource and quality expectations; ensures product capability meets or exceeds expectations and mitigate. Understands the full product life cycle process and stakeholders. <p>Place of Posting – Mysore</p>

(117)	Asst. Manager (Gr III) Engine Testing	3	First Class Engineering Degree (full time) in Mechanical/ Automobile/ Electrical/Electronics/Thermal/Design from a recognised university Post graduate in Internal Combustion Engine/Thermal/ Automobile from a recognized University / Institution will be preferred	The candidate should have a minimum of 4- 8 years of professional experience in Engine calibration for CEV stage V or equivalent / combustion hardware selection / test cell set up and measurement system and data acquisition system / Calibration tools and service tools/ optimization tool and data analysis/ CAN communication protocol/ control system and closed loop system/ Type approval and CoP process with certification agencies. Knowledge of Project Management and Product Life cycle management/ Inca, Visu will be an added advantage.	This position will be responsible for: <ul style="list-style-type: none"> Studying environmental impact on engine Hardware and performance Define testing cycles for various emission norm and field duty cycle Understanding mechanical and Electrical components Quick turn around on fixing field issues related to performance Supporting in durability testing Working on engine emission optimization Working on engine and after treatment calibration. Type approval and COP testing Place of Posting – Mysore

Note: Candidates shall apply for single position which is most suitable.

Category wise vacancy break-up: Reservation for SC/ST/OBC/ EWS candidates will be as per applicable Rules.

Eligibility, Pay Scale & Remunerations:

Grade	Position	Post Qualification Experience (PQE)* (in Years)	Upper Age Limit (in Years)	BEML Pay Scale
Grade – III	Assistant Manager	4	30	Rs.50,000 – 1,60,000
Grade – IV	Manager	8	34	Rs.60,000 – 1,80,000
Grade – VII	Dy.General Manager	16	45	Rs.90,000 – 2,40,000
Grade – VIII	General Manager	19	48	Rs.1,00,000 – 2,60,000
Grade – IX	Chief General Manager	21	51	Rs.1,20,000 – 2,80,000

Note

- 1: PQE is the minimum relevant experience the candidate should possess after obtaining the qualification. Only the employment after obtaining the requisite qualification will be considered.
- 2: The upper age limit indicated is relaxable as per the Govt. of India guidelines i.e., 5 years for SC/ST and 3 years for OBC - NCL candidates.
- 3: For PwD Candidates, the upper age limit is relaxable by additional 10 years. This would be over and above the admissible age relaxation for candidates belonging to SC/ST/OBC(NCL). Relaxation of age limit would be permissible to candidates with minimum 40% disability.
- 4: The upper age limit can be relaxed (*for candidates under all category*) subject to equivalent years of excess post qualification experience prescribed. However, the maximum age with relaxation shall not exceed 57 years.
5. Besides Basic Pay, candidates will be eligible for Variable Dearness Allowance, Perquisites & Allowances as applicable (*which is currently 13.78% of the applicable Basic Pay under the Cafeteria System*), Company Accommodation / House Rent Allowance, Provident Fund, Gratuity, PRP etc.(as per the prevailing Company Rules).
6. The pay fixation will be guided by the extant rules of BEML Limited, applicable at the time of issuance of Offer of appointment.
7. **These positions are not open for internal candidates.**

GENERAL CONDITIONS

- i. Only Indian Nationals may apply.
- ii. Age, Qualification & Experience stipulated above should be as on **10.01.2026**
- iii. Under qualifying marks, first class is reckoned at 60% (as an aggregate of marks of all the Semesters/ years). Qualifying marks are relaxable by 5% for SC/ST & PwD candidates. Candidates with CGPA/ Credit have to mandatorily provide the conversion to percentage.
- iv. SC/ST candidates are required to submit SC/ST Caste Certificate in the format as applicable for appointment to posts under Government of India.
- v. OBC candidates** are required to submit Other Backward Class Certificate ('Non-Creamy Layer*') (Certificate should be in the format as applicable for appointment to posts under Government of India). OBC candidates are also required to furnish a self-undertaking that they belong to OBC (Non-Creamy Layer) by filling and signing the self-undertaking in the format provided along with the application format.

[Note:

- a. **OBC Candidates: Candidates belonging to those Communities which are recognized as a backward class by the Government of India for the purpose of reservation in services as per orders contained in Department of Personnel and Training Office Memorandum No.36012/22/93-Estt.(SCT) dated 08.09.1993.
- b. *Non- Creamy Layer : The gross annual income of parents of the candidate should not be more than Rs.8 lakhs in last three consecutive years in line with DOPT OM No.36033/1/2013-Estt.(Res) dated 13.09.2017.]
- c. Candidates belonging to OBC (NCL) category are required to submit OBC certificate not older than six months as on the last date of application submission online.
- vi. PwD candidates are required to submit PwD Certificate in the format as applicable for appointment to posts under Government of India.
- vii. Candidates seeking reservations under EWS are required to submit income & assets certificate in the format applicable for Economically Weaker Sections
- viii. Candidates employed in Central/ State Government, Autonomous bodies, Quasi-Government and PSU should send the print out of online application through proper channel (or) should produce "No Objection Certificate" specific to the position applied for, from their current employer at the time of assessment, failing which they will not be permitted to appear for the assessment and their candidature will not be entertained. Such application forwarded through proper channel has to reach Sr.Manager, Recruitment Cell, BEML Soudha, BEML Limited, 23/1, 4th Main, S.R.Nagar, Bengaluru 560027 with in 10 days from closing date of the advertisement.

- ix. Candidates employed in Central/ State Government, Autonomous bodies, Quasi-Government and PSU should have worked for at least one (1) year in the immediate lower scale.
- x. Private sector candidates applying for the position of Chief General Manager and General Manager must be employed in a regular capacity where the annual turnover of the Company has to be Rs.1000 crore or more. (The average audited annual turn-over of three financial years preceding the calendar year in which the post is advertised shall be considered for applying the approved limits). Preference will be given to Candidates from listed companies.
- xi. Private sector candidates applying for the positions must be employed in a regular capacity and will be required to submit experience certificate in the Letter Head of the Company at the time of interview. They have to clearly provide their Reporting Structure of the current position held.
- xii. Apart from uploading copy of the detailed resume, the Experienced Candidates are required to provide details (a pen picture) of each experience in the Application Form.
- xiii. The candidates should ensure that he/she fulfills the eligibility criteria and other norms mentioned in the advertisement as on the specified dates and that the particulars furnished are correct in all respect. In case, it is detected at any stage of the recruitment process that a candidate doesn't fulfill the eligibility norms and/ or that he/ she has furnished any incorrect/ false information or has suppressed any material/ fact(s), his/ her candidature shall stand automatically cancelled. If any of the above shortcoming(s) is/ are detected even after appointment, his/ her services are liable to be terminated without notice.
- xiv. Merely meeting the conditions of the advertisement by the candidate(s) will not automatically entail them to be called for assessment for selection.
- xv. Eligible candidates will be shortlisted for assessment. Based on assessment, Shortlisted candidates will have to undertake pre-employment medical examination and original document verification. This will not necessarily mean selection. Any shortcoming at the time of document verification such as falsification of documents, wrong declaration of age/ category/ qualifying marks etc., non-production of original records including Category certificate will lead to rejection of candidature. Appointment of selected candidates is subject to meeting the medical standard of the Company and receipt of satisfactory medical report from the Company Medical Officer
- xvi. Management reserves the right to restrict the number of candidates and increase the Qualifying percentage based on number of applications received.
- xvii. Management also reserves the right to cancel the advertisement in full or in part and / or the selection process at its discretion.
- xviii. Management reserves the right to increase / decrease the vacancies based on Business requirements and availability of Qualified candidates.
- xix. Management reserves the right to convert the position into contract engagement, if necessitated.
- xx. Intimation regarding Assessments, issuance of provisional offer/ final offer etc., will be sent only through e-mail. The list of shortlisted/selected candidates for final selection, will be uploaded in Company's website. BEML will not be responsible for any loss/ non-delivery of e-mail or any associated communications sent, due to invalid/ incorrect e-mail id. The e-mail id and mobile number provided in online application should remain valid for at least one year.
- xxi. Only candidates meeting all eligibility criteria mentioned herein viz., qualification, experience, age, caste/ PwD (as applicable) need to apply.
- xxii. Eligible and interested GEN / EWS / OBC candidates applying for the above positions (Not applicable for SC/ST/ PwDs) need to pay a **non-refundable fee of Rs.500/-** by clicking the "Pay Application Fee Online" at the end of the application form.
