BEML Ltd secures significant order of Rs 250 cr from Northern Coalfields

Bangalore | May 17, 2024 – BEML Ltd has secured an important order from M/s Northern Coal Fields Limited (NCL) for the supply of 28 units of BH100 Rear Dump Trucks. The total value of this order is INR 250 Crores.

The BH100 Rear Dump Truck is engineered to transport payloads of up to 100 tonnes, specifically designed for the efficient handling of overburden and coal in mining operations. This order marks a significant milestone in BEML's continued partnership with NCL, reflecting the trust and reliance on BEML's heavy-duty mining equipment. The dumpers will be maintained under a Guaranteed Spare Parts contract for a period of 5 years, ensuring uninterrupted service and operational efficiency.

The BEML BH100 Rear Dump Truck is renowned for its robust design, advanced features, and operational efficiency, making it a preferred choice in the mining industry. Designed to transport payloads of up to 100 tonnes, the BH100 is ideal for heavy-duty mining operations, particularly for handling overburden and coal. Engineered for fuel efficiency, the BH100 helps reduce operational costs while maintaining high performance levels.

Commenting on this achievement, Shri Shantanu Roy, CMD of BEML Ltd, said, "Our contributions towards the coal sector are getting bigger, and our mission is to help coal players achieve their target of extracting more than 1 billion tonnes of coal in the country. Our BH100 Rear Dump Truck has the capability to assist NCL in their coal extraction efforts in a significant way."

This order underlines BEML's commitment to supporting India's mining industry with robust and reliable machinery, further strengthening its position as a major player in the mining equipment sector. BEML has continuously advanced the technological capabilities of its products, ensuring they meet the highest standards of quality and reliability. The company's dedication to innovation

has not only bolstered India's defense sector but also enhanced the efficiency and sustainability of its infrastructure projects.

About BEML- BEML Limited is a leading multi-technology 'Schedule A' company under the Ministry of Defence, plays a pivotal role in serving India's core sectors like Defence, Rail, Power, Mining and Construction by offering world class products. BEML operates in three verticals viz. Defence & Aerospace, Mining & Construction and Rail & Metro and has state-of-the-art manufacturing facilities located at Bangalore, Kolar Gold Fields (KGF), Mysore, Palakkad, with having very strong R&D infrastructure and nationwide network of sales and services. BEML Limited, a committed player in the field of manufacturing earthmoving, transportation, and construction equipment, celebrates a rich legacy spanning six decades of relentless pursuit of excellence and innovation.
