Press Release

Integral Coach Factory (ICF) Awards High-Speed Rail Design and Manufacturing Order to BEML Ltd

Bangalore | October 15, 2024 : BEML Limited has been awarded a contract for the design, manufacturing, and commissioning of two high-speed trainsets, each comprising 8 cars by Integral Coach Factory (ICF), Chennai. The price of each car is ₹27.86 Crs and the total contract value is ₹866.87 Crs which includes design cost, one-time development cost, non-recurring charges, one-time cost towards Jigs, fixtures, tooling and testing facilities, which will be utilised for all future High-Speed projects in India. This project marks a significant milestone in India's high-speed rail journey and will see the first indigenously designed and manufactured trainsets with a test speed of 280 kmph.

The trainsets will be built at BEML's Bengaluru rail coach complex and are scheduled for delivery by the end of 2026. Featuring a fully air-conditioned, Chair Car configuration, the trains will offer modern passenger amenities such as reclining and rotatable seats, special provisions for passengers with restricted mobility, and onboard infotainment systems.

This contract further strengthens BEML's position as a leader in rolling stock manufacturing and reaffirms its commitment to India's vision of a faster, more efficient rail network.

About BEML- BEML Limited is a leading multi-technology 'Schedule A' company under the Ministry of Defence, plays a pivotal role in serving India's core sectors like Defence, Rail, Power, Mining and Construction by offering world class products.
