BEML Ltd Secures Significant Order for 50-Ton Trailer worth Rs. 83.51 crores from Ministry of Defence

December 10, 2024 | Bangalore : BEML Limited, a leading Public Sector Undertaking under the Ministry of Defence, Government of India, has successfully secured a contract from the Ministry of Defence for supplying of a 50-Ton Trailer valued at INR 83.51 crore. This order highlights BEML's strength and capability in delivering advanced, indigenous products to enhance India's defence infrastructure.

The 50-Ton heavy-duty Trailer is specifically designed for the transportation of battle tanks and features 12 twin-wheels for durability and stability in challenging terrains. With a payload capacity of 50 tonnes, the Trailer is engineered to be towed by the BEML HMV 8x8 vehicle. Notably, it includes advanced features such as a steerable turntable for 55-degree rotation in both directions, a twin-line air brake system, emergency brakes, and mechanically operated parking brakes. The rear chassis frame is equipped with a combination of fixed, hinged, and loose ramps to ensure the efficient loading of tanks.

Commenting on the achievement, Shri Shantanu Roy, Chairman & Managing Director of BEML Ltd, said, "We are proud to have the order and believe our capacity to build indigenized products at scale. This contract is a testament to our growing role in supporting the defence sector, and we look forward to expanding our contributions even further."

This order further strengthens BEML's reputation as a key partner in India's defence sector and demonstrates its unwavering commitment to supporting national interests through cutting-edge, indigenous solutions. It also reinforces BEML's role in advancing the capabilities of the Indian Army and the broader defence ecosystem.
