Chhattisgarh Govt. Invites BEML Ltd. to Set Up Advanced Mining Equipment Plant

March 26, 2025 | Bengaluru – In a significant move to drive industrial growth and job creation, the Department of Commerce & Industries, Government of Chhattisgarh, has extended an invitation to BEML Ltd. to invest in the state by setting up a world-class mining equipment manufacturing facility. The proposed plant will focus on producing high-performance dump trucks, water sprinklers, and motor graders, catering to the increasing demand in the mining and infrastructure sectors.

The invitation was formally extended by the Hon'ble Chief Minister of Chhattisgarh, Shri Vishnu Deo Sai, to Shri Shantanu Roy, Chairman & Managing Director of BEML Ltd., emphasizing the state's commitment to fostering industrial development. At the *Investor Connect* event held today in Bangalore, the Hon'ble Chief Minister presented the official "Invitation to Invest" to BEML's Functional Directors—Shri Anil Jerath, Director-Finance, Shri Sanjay Som, Director - Mining & Construction and Defence, and Shri Debi Prasad Satpathy Director-Human Resources, in the presence of key government ministers and senior officials.

Chhattisgarh has positioned itself as an attractive investment destination with its pro-business policies, abundant natural resources, and robust ease-of-doing-business framework. The state offers single-window clearances, zero-paper processing, and a conducive industrial ecosystem, ensuring seamless execution for new investments.

BEML Ltd., a global leader in mining and construction equipment manufacturing, is strategically expanding its footprint to capitalize on growing infrastructure demands. The company is advancing its product portfolio with high-capacity motor graders, tyre handlers, and loaders, strengthening its position in the high-capacity mining sector.

With Chhattisgarh's rich geological landscape and significant mineral reserves, there is a pressing need for advanced, efficient, and sustainable mining solutions. BEML remains committed to driving innovation in productivity, safety, and environmental sustainability through cutting-edge mechanization, aligning with India's vision for *Green and Sustainable Mining*.

About BEML

BEML Limited, a leading multi-technology 'Schedule A' company under the Ministry of Defence, plays a pivotal role in serving India's core sectors, including Defence, Rail, Power, Mining, and Construction, by offering world-class products. BEML operates in three verticals: Defence & Aerospace, Mining &

Construction, and Rail & Metro. It has state-of-the-art manufacturing facilities located in Bengaluru, Kolar Gold Fields (KGF), Mysore, and Palakkad, with a strong R&D infrastructure and a nationwide sales and service network. With a legacy spanning six decades, BEML is a committed player in manufacturing earthmoving, transportation, and construction equipment, driving excellence and innovation.
