- Reviewed a sample of contracts to identify possible delays in achieving milestones, which require change in estimated efforts to complete the remaining performance obligations.

- Sample of revenues disaggregated by type and service offerings was tested with the performance obligations specified in the underlying contracts.

III. Disputes and potential litigations:

Refer to Note 39.D.I.a.i. in the standalone financial statements

Key Audit Matters

The Company is subject to a number of legal, regulatory and tax cases for which final outcome cannot be easily predicted and which could potentially result in significant liabilities.

The assessment of the risks associated with the litigations is based on complex assumptions. This requires use of judgment to establish the level of provisioning, increases the risk that provisions and contingent liabilities may not be appropriately provided against or adequately disclosed. Management judgement is involved in assessing the accounting for demands, and in particular in considering the probability of a demand being successful. The risk related to the claims is mainly associated with the completeness of the disclosure, and the completeness of the provisions in the financial statements.

Accordingly, this matter is considered to be a key audit matter.

Auditor's Response to Key Audit Matters

In order to get a sufficient understanding of litigations and contingent liabilities, we have discussed the process of identification implemented by the Management for such provisions through various discussions with Company's legal and finance departments.

We read the summary of litigation matters provided by the Company's/ Unit's Legal and Finance Team. We read, where applicable, external legal or regulatory advice sought by the Company.

We discussed with the Company's/ Unit's Legal and Finance Team certain material cases noted in the report to determine the Company's assessment of the likelihood, magnitude and accounting of any liability that may arise.

In light of the above, we reviewed the amount of provisions recorded and exercised our professional judgment to assess the adequacy of disclosures in the Standalone Ind AS financial statements.

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

- c. The property, plant and equipment of the Company have been physically verified by the management at reasonable intervals in a phased manner so as to generally cover all the assets once in three years. As informed, no material discrepancies have been noticed on such verification. In our opinion the periodicity of physical verification is reasonable having regard to the size of the Company and nature of its assets.
- d. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company except in the following cases:

We draw attention to Note No. 3 (B&E) to the Standalone Ind AS Financial Statements:

- i. As explained to us, Building costing Rs.23.16 lakhs (carrying value Rs. 10.87 lakhs) situated at Ranchi are pending for registration / khatha transfer .
- ii. Lease hold land of 4706 Sqm at Hyderabad allotted by TSIIIC in July 2006 at ₹129.41 lakhs for the development of showroom, has been surrendered back to TSIIIC vide Deed of Cancellation dated 21st March 2022. TSIIIC has refunded the cost of ₹129.41 lakhs to BEML in March 2022 and accordingly the said land has been decapitalized. No penalty has been imposed by TSIIIC. Further, 7092 Sqm of operational land with a value of ₹ 212.53 lakhs which was incorrectly classified as Leasehold Land has been re-classified as Freehold land.
- iii. As explained to us, Free Hold Land includes additional compensation amount paid to KIADB amounting to ₹183 Lakhs for which title deeds have to be obtained from KIADB and Registration is under process. As per the Karnataka High Court Vide Order dated 11.02.2021, BEML has made total payment of ₹667.56 Lakhs on 28.05.2021, which includes interest amount of ₹484.56 Lakhs.
- iv. Kerala Industrial Infrastructure Development Corporation (KIIDC) has allotted Leased land measuring 374.59 acres for a lease premium of Rs. 2547.21 lakhs (PY Rs.2547.21 lakhs) for 99 years lease period w.e.f 01.07.2009. The actual land handed over by KIIDC was measuring 374.16 acres and the revised lease premium payable is Rs. 2544.29 lakhs only, excluding service tax of Rs.273.56 lakhs. During

FY 21-22, out of 374.16 acres, land measuring 226.21 acres had been mutually agreed to be surrendered back to KIIDC and to enter into fresh lease agreement for the balance portion of 147.95 acres. The matter is under active consideration. Service tax of Rs.273.56 lakhs had been waived by KIIDC and accordingly the capitalized value of the land had been reduced.

- v. Based on explanation and information furnished to us, the Company had taken land measuring 1109 acres and two workshops on lease for a period of 10 years vide Lease Agreement dated 5th May 2004, w.e.f. 28.04.2004 from M/s. Bharat Gold Mines Limited (BGML) (A company under orders of winding up by BIFR), and a sum of Rs. 100 Lakhs was paid as non-refundable deposit, (included under other non-current assets (Note no.11)). As per the terms of the Lease agreement, this deposit shall be adjusted against the outright sale/transfer of ownership that may be fixed for the property and lessee shall be free to construct new building/alter the existing building/lay roads/fence the land in the interest of furthering its business to suit its use and on expiry of the lease the said building shall vest with the lessor on payment of consideration based on value prevailing on the date of handing over the property. The Company had incurred on the above land a sum of ₹1452.95 lakhs (with carrying value - ₹814.27 Lakhs) on Buildings (Previous Year - ₹859.05 lakhs) included in Property, Plant and Equipment as at year end.

Vide order dated 09.07.2013, the Hon'ble Supreme Court of India upheld the decision of the Union Government to float a global tender of BGML assets with an observation about the existence of sub-lease of a portion of the land to BEML Ltd expiring on 28.04.2014 to be included in the tender documents. The Company filed an Interlocutory application before the Hon'ble Supreme Court of India, praying for exclusion of land leased to BEML from the purview of global tender, which was dismissed. Since the lease agreement provides for the continuation of the lease even after the expiring of lease period on 28.04.2014 till the final decision of the Company / Government in this regard, the operations of the company on the above land is continued. Appropriate accounting action will be considered based on the outcome of the tender process.

Meanwhile, BEML has proposed to surrender 1080.65 Acres out of 1109 Acres of land to BGML and to enter into a fresh lease agreement for the balance operational area of 28.35 Acres. However, BGML has offered BEML to outrightly purchase the land of 28.35 acres at mutually agreed price. The matter is under discussion between BGML and BEML.

Opinion

We have audited the internal financial controls over financial reporting of **BEML LIMITED** (hereinafter referred as "the Company") as of March 31, 2022 in conjunction with our audit of the standalone Ind AS financial statements of the company for the year ended on that date.

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

- 1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

The assessment of the risks associated with the litigations is based on complex assumptions. Management judgement is involved in assessing the accounting for demands, and in particular in considering the probability of a demand being successful. The risk related to the claims is mainly

associated with the completeness of the disclosure, and the completeness of the provisions in the financial statements.

Accordingly, this matter is considered to be a key audit matter.

Our objectives are to obtain reasonable assurance about whether the consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Consolidated Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group, its associate and jointly controlled entities to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated Ind AS financial statements, including the disclosures, and whether the consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the Consolidated Ind AS Financial Statements of the entities within the Group, its associate and jointly controlled entities to express an opinion on the Consolidated Ind AS Financial Statements.
